|-------------------------------|----------------------|--------------------------|---------------------|
| Operational costs | £82,000 \$106,600 | Total | £40,000 \$52,000 |

We are thankful to the **Grace Baptist Mission** who are facilitating the cost of employing our Principal.

And likewise to **Crosslinks** for our third lecturer, Andy Symons.

Over £1m has been invested so far in PIZ

- Funds are raised via individual donations, one-offs or regular
- Various fundraising events are held throughout the year
- Churches give to the work where presentations are made
- Trusts have been approached and generous grants have been given

Please pray for:

- Chris, Tryson and Andy (faculty); the other staff and workers. That they will all know God's leading and work together well for the Glory of God
- This year's 20 students in their final term of studies and exams. Where they will go to next. That God will be glorified as he leads them to work for His Kingdom sake
- It costs £3,400 (\$4,420) to train one student per year. Pray for regular sponsors for the 2020 planned intake of 23 students
- The Alumni programme:
 - We need partnerships with churches to send the students to plant churches
 - Funding for the missionary pastor's wages - £500 (\$650)
- A farm manager
